Silhol R. Structure and subject: what do we know of Oedipus' desire?. PsyArt Journal. 2015 Sep 21 [last modified: 2016 Feb 16]. Edition 1.

Abstract

This paper looks at structure and subject, and tackles what do we know of Oedipus' desire. It also advances the proposition that the idea of 'structure and subject' can be said to represent a short history of psychoanalytical thinking in itself.
